

U-Hoo

U-Hoo lives above Monster Phonics Land in the outer universe. Sometimes, he is a little lonely out there and calls 'U-Hoo!' to his monster friends who live below him. He waves his long arms which are a little u-shaped.

U-Hoo can visit Monster Phonics Land by sliding down a purple tube that magically appears, connecting his universal home to monsters world. He comes down to go to school, as well as the Friday Monster Disco.

U-Hoo is a musician. His passion is playing the drums. He likes to play in the monsters' band with *Angry Red A*, *Cool Blue* and *Miss Oh No*.

U-Hoo loves the *Black Cats*.

He thinks they are very cute!
