

This policy is based on DfE guidance "Preventing and Tackling Bullying" July 2017 and supporting documents. It also considers the DfE statutory guidance "Keeping Children Safe in Education" 2022 and "Sexual violence and sexual harassment between children in schools and colleges" guidance. This policy also takes into consideration Childnet's "Cyberbullying: Understand, Prevent and Respond: Guidance for Schools".

This policy outlines what Elmore Green Primary School will do to prevent and tackle all forms of bullying. We are committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

We work together to create a safe, supportive environment where bullying is unacceptable regardless of how it is delivered or what excuses are given to justify it. We are aware that pupils may be bullied in any school or setting, and recognise that preventing, raising awareness and consistently responding to any cases of bullying should be a priority to ensure the safety and well-being of our pupils. We recognise the detrimental effect on children who may be subject to bullying and will work actively to minimise the risks.

## **Responsibilities**

And we ask that parents and carers to support their children and work in partnership with the school in all matter of bullying and our approach to anti-bullying.

It is our expectation that all pupils to abide by this policy and that they will be supported to do so by all adults at Elmore Green and their families.

## **The Definition of Bullying**

Bullying can be defined as 'behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally' (DfE 'Preventing and Tackling Bullying').

Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.

The same bullying behaviours can be expressed online as online bullying or cyberbullying. This can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

Elmore Green recognises that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development and is form of child on child abuse - children can abuse other children. Everyone at Elmore Green is clear - abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".

We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported. All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.
