Dear Parents / Carers

17th January 2019

Your child will be coming home every week with a story book.

The books have not been matched to your child's ability to read, and are more focussed on sharing a story with an adult. You will notice some are just picture books and others will have a small amount of words.

You and your child can share the story by talking about what is happening and what each character is doing. I am sure you will agree that this will help your child to understand the world of stories and also help develop their communication skills by having the opportunity to talk in sentences.

The book will be given out on Fridays and will need to be returned by the following Wednesday. School will not provide another book until the previous book has been returned and there may be a charge for lost or damaged books.

We would like you to complete the home school reading record to share your experiences of home reading with us.

Yours sincerely

Mrs Fowler/Miss Wiggin
Reception
